

And

We offer much more than just a design service.

Our team of award winning, highly experienced landscapers can implement all or any part of your design for you.

As full members of the Association of Professional Landscapers you can be assured of our commitment to excellence from staff training through to the materials and plants we use.

Sit back and watch the transformation take place

Consider the Crown Nursery Design Service

HOW OUR SERVICE WORKS

Step 1

Initial site visit - to discuss your

- ♦ Objectives
- ♦ Requirements

If you feel the service is what you require, we will ask you to agree the cost of our service and we will then take photographs and measurements.

Step 2

Sketch plans and scheme forwarded to you for your approval.

Step 3

Meeting at Crown Nursery

- ♦ Discussion of plan/scheme
 - ♦ Amendments
- ♦ Opportunity to view the trees & plants

Step 4

Final design concluded and forwarded to you and only then will our invoice be presented to you for payment.

COST

Design costs vary from project to project depending on your requirements. Our guide prices below are flexible to help you get the best value for your money.

Gardens under 150m ²	£ 98.00
Between 150m ² & 300m ²	£150.00
300m ² & 500m ²	£185.00
500m ² & 1000m ²	£245.00
1000m ² upward	£275.00

The actual costs of designing your scheme will be agreed at the initial site visit.
